## NZSO

Following the success of their recent relaxed concert series, the New Zealand Symphony Orchestra is excited to perform a relaxed concert for autistic individuals. These concerts are also for audiences who may feel uncomfortable in a traditional concert environment. There is a relaxed attitude to noise and movement during the performance. Lighting effects are minimal and a 'chill out' space is available.

The Christchurch session will be held at the Christchurch Town Hall on the 10 of March at 1:00pm. To register your interest or to find out more please email [settingupcamp@nzso.co.nz](mailto:settingupcamp@nzso.co.nz).
