

Module 2: Discussion Topics

1. Can you describe a visual timetable you have seen used effectively?

2. Create a visual plan for a PE lesson. Where should we start? Why a PE lesson?

3. Can you relate a situation you have experienced where the use of visuals would have been useful?

4. When would you advise the use of visuals?

5. Let's think about timers. Where have you seen these used? What about timers and special interests?
